REFERENCE NUMBER: SPD3/2026/009

FRAMEWORK CONTRACT FOR THE SUPPLY, DELIVERY AND STACKING OF CONCRETE KERBS TO THE MAINTENANCE AND PUBLIC CLEANSING DIRECTORATE, MINISTRY FOR GOZO AND PLANNING

Reference is made to the above-mentioned Tender, the closing date of which is 5th May 2026 at 0930hrs.

CLARIFICATION REQUEST

Question 1: Could you kindly confirm whether the kerb is required to have a fully smooth finish? Additionally, regarding the length specifications, the first two items we are offering are 1 meter long instead of 0.91 meters. Also, for Item 1, the height is 15.24 cm. Could you please advise if this would still be acceptable for the tender?

Answer 1: It is hereby confirmed that the supplies must fully comply with the technical specifications and dimensional requirements as published in the tender documents.
In particular, the dimensions and characteristics of the kerbs are required to be strictly in accordance with Section 3, Clause 2.1 of the tender document and as listed in the Financial Bid Form.
Consequently, supplies with specifications that diverge from those indicated in the published documents cannot be accepted, and offers based on alternative specifications would be considered non-compliant.
